Frequently Asked Questions

What is the cost of the camp?

\$1,195 per camp, includes two participants.

Additional family members (adult and/or child) will be charged \$550/participant.

Includes lunch and dinner at Longleaf. Accommodations are not included in camp rate.

What is the age range for kids?

The age range is 6-14. (Adults must be 24 years old.)

How will players be grouped?

Each camp begins with an assessment, and players are then grouped based on skill, gender, age, and height.

What instruction do parents receive?

Parents and children are put through the same assessment and are given individual pathways to their next level.

How is camp instruction organized?

The U.S. Kids Golf Academy uses a 10-level curriculum, with Level 1 being a brand new golfer and Level 10 being a highly-skilled player. The initial assessment will allow coaches to assign the optimal learning experience for each camp participant.

Will I be spending much time with my child?

Parents and children will practice and play together, although sometimes with different targets and drills. You'll share meals with other camp families and have free time each day to spend playing golf or other activities.

What is the typical weather?

Average high/low temperatures are as follows:

Month Avg	High Avg	Low
May	82	61
June	86	67
July	89	71
August	87	70

Please come prepared for these temperatures and, at times, fairly high humidity, and the chance for rain.
